Energy And Environment Foundation

GLOBAL
Sustainability
AWARD 2023

Recognition and Awards Program

The Award

Global Sustainability Award organised by the Energy And Environment Foundation shall recognize outstanding contribution by the individuals, team, unit, region / project organization and honour them for their excellent contributions, commitment and actions that have made a **positive impact on the environment**. Whether by helping to improve the management of natural resources, demonstrating new ways to tackle climate change or raising awareness of emerging environmental challenges, Global Sustainability Award serve as an inspiration for the transformative action, business excellence and environment management across the world.

Objectives

Encourage & motivate to adopt best practices and become role model for others to emulate. Encourage implementation of strategies for improvement in operation standards. It gives morale boost to management, concerned team, employees and all stakeholders.

Eligibility

These Awards are open for Nomination to all Large, Medium, Small Scale Industrial / Service Sector Companies / Organizations and their regions / Units, projects. Academic Institutions are also eligible for participation in the award.
