# About Us.

## Energy and Environment Foundation – Global Awards 16th Edition | Celebrating Excellence Since 2011

The **Energy and Environment Foundation Global Awards**, now in their **16th edition in 2026**, are a prestigious platform that celebrates outstanding achievements in the fields of energy, environment, sustainability, and infrastructure development. Established in **2011**, the awards aim to recognize and honor **visionary leadership, impactful innovation, and exemplary practices that contribute to building a greener, more resilient world.** Over the years, the initiative has garnered global participation from governments, industries, institutions, and changemakers dedicated to sustainable progress.

These awards span a wide range of categories, including the **Global AI Innovation Awards 2026, Global AI Transformation Awards 2026, Global Sustainability, Global Safety, Global Infrastructure & Construction Award, Global Green Transport Award, Global Hydrogen Award, Global Sustainable Finance Award, Global Environmental, Social and Governance (ESG) Award, and Global Clean India Award, among others.** By acknowledging excellence across sectors, the Foundation fosters cross-sector collaboration and inspires collective action toward climate responsibility, clean energy transition, smart mobility, and inclusive development for a sustainable global future.

- Excellence in AI for Sustainability & ESG Impact
- AI Security, Risk & Compliance Excellence Award
- AI for Social Impact & Community Innovation
- Youth Empowerment through AI & Future Tech
- Best Use of AI Analytics for Decision Making
- Most Innovative AI Product or Solution
- Excellence in AI Research & New Tech Initiatives
- Best Generative AI Implementation Award

# RECOGNITION & AWARDS PROGRAM

## The Award:

The **Global AI Innovation Award 2026**, presented by the **Energy and Environment Foundation**, celebrates organisations leading advancements in AI innovation, skill development, and workforce transformation. The awards recognise initiatives that foster continuous learning, upskilling, and sustainable talent growth, empowering a future-ready, productive, and resilient workforce in an AI-driven world.

Awarded organisations demonstrate a strong commitment to:

- Ethical and responsible AI practices
- Upskilling and reskilling talent across all levels
- Promoting lifelong learning in an AI-driven ecosystem
- Enhancing workforce efficiency, performance, and digital safety
- Advancing social impact and sustainable, AI-enabled growth

These awards honour exceptional leadership in advancing AI-driven talent development through innovative learning models, intelligent workforce frameworks, and strategic upskilling—strengthening the foundation for a collaborative, inclusive, and sustainable future in an increasingly AI-powered world.

## Objectives:

- Inspire organisations to adopt advanced AI-driven workforce practices at scale.
- Motivate enterprises to lead AI-enabled learning and future workforce development.
- Promote strategic technology-driven approaches that support continuous improvement and growth.
- Encourage workforce capability, efficiency, and performance through transformative AI initiatives.
- Support leadership implementing sustainable, future-ready AI talent development strategies globally.

## Eligibility:

- Large-scale organisations implementing AI-driven transformation across infrastructure, mobility, energy, and public systems.
- Public Sector Units (PSUs) actively adopting AI for operational efficiency and safety.
- Government bodies, PPP projects, EPC firms, and developers integrating AI-led solutions.
- Organisations advancing intelligence, performance, innovation, sustainability, and design excellence through AI technologies.

# Submission of Application:

Energy And Environment Foundation **Global AI Innovation Award's** Application Form and Rules & Regulations can be obtained by sending request by email to [dranilgarg2024@gmail.com](mailto:dranilgarg2024@gmail.com) | [dranilgarg@ee-foundation.org](mailto:dranilgarg@ee-foundation.org)

For details visit [www.ee-foundation.org](http://www.ee-foundation.org)

Submissions must be sent before **28th February 2026** and include a completed form, a detailed project description (maximum 1000 words), sustainability metrics, photos, renderings, a 5-minute video, and optional recognitions or certifications.

# Selection Process:

Projects completed within the last two years will be considered.

Evaluation will be based on:

- Preliminary evaluation of nominations.
- Mandatory Oral Presentation with original documents by all short-listed nominee company/units in presence of Jury members constituted by Energy And Environment Foundation.
- Site visit of short-listed companies / units, if necessary.
- Award Declaration

A distinguished jury of AI, technology, and innovation experts will evaluate all entries, ensuring a fair and transparent assessment aligned with global excellence standards.

# Awards Presentation:

Energy And Environment Foundation **Global AI Innovation Award 2026** will be presented on **17th April 2026** at NDMC-Convention Center, Parliament Street, New Delhi, India.
