About Us.

Energy and Environment Foundation – Global Awards 16th Edition | Celebrating Excellence Since 2011

The Energy and Environment Foundation Global Awards, now in their 16th edition in 2026, are a prestigious platform that celebrates outstanding achievements in the fields of energy, environment, sustainability, and infrastructure development. Established in 2011, the awards aim to recognize and honor **visionary leadership, impactful innovation, and exemplary practices that contribute to building a greener, more resilient world.** Over the years, the initiative has garnered global participation from governments, industries, institutions, and changemakers dedicated to sustainable progress.

These awards span a wide range of categories, including the **Global AI Transformation Awards 2026, Global AI Innovation Awards 2026 Global Sustainability, Global Safety, Global Infrastructure & Construction Award, Global Green Transport Award, Global Hydrogen Award, Global Sustainable Finance Award, Global Environmental, Social and Governance (ESG) Award, and Global Clean India Award, among others.** By acknowledging excellence across sectors, the Foundation fosters cross-sector collaboration and inspires collective action toward climate responsibility, clean energy transition, smart mobility, and inclusive development for a sustainable global future.

- Generative AI Transformation & Implementation Excellence Award

RECOGNITION & AWARDS PROGRAM

The Award:

The **Global AI Transformation Award 2026**, presented by the **Energy and Environment Foundation**, honours organisations driving impactful AI-led transformation across industries. The awards recognise pioneering initiatives that accelerate digital capability, strengthen workforce readiness, and enable sustainable, future-focused growth—empowering organisations to thrive in an increasingly intelligent, AI-driven world.

Awarded organisations demonstrate a strong commitment to:

- Drive ethical and responsible AI adoption organisation-wide.
- Build AI-ready talent through continuous upskilling programs.
- Promote lifelong learning in AI-driven organisational culture.
- Enhance workforce efficiency, performance, and digital resilience.
- Advance sustainable, inclusive growth via transformative AI solutions.

These awards recognise outstanding leadership in driving AI-powered workforce transformation through innovative learning frameworks, intelligent talent strategies, and strategic upskilling—building a collaborative, inclusive, and sustainable foundation for organisations in an increasingly AI-driven and future-ready world.

Objectives:

- Inspire organisations to implement AI-driven workforce practices widely.
- Motivate enterprises to lead AI-enabled learning initiatives.
- Promote strategic, technology-driven approaches for continuous organisational growth.
- Enhance workforce capability, efficiency, and performance using AI.
- Support leadership in sustainable, future-ready AI talent development.

Eligibility:

- Large-scale organisations driving AI transformation across infrastructure, mobility, energy.
- Public Sector Units adopting AI to enhance efficiency, safety.
- Government bodies, PPPs, and EPC firms implementing AI solutions.
- Organisations advancing innovation, performance, sustainability, and design through AI.

Submission of Application:

Energy And Environment Foundation **Global AI Transformation Award's** Application Form and Rules & Regulations can be obtained by sending request by email to dranilgarg2024@gmail.com | dranilgarg@ee-foundation.org

For details visit www.ee-foundation.org

Submissions must be sent before **28th February 2026** and include a completed form, a detailed project description (maximum 1000 words), sustainability metrics, photos, renderings, a 5-minute video, and optional recognitions or certifications.

Selection Process:

Projects completed within the last two years will be considered.

Evaluation will be based on:

- Preliminary evaluation of nominations.
- Mandatory Oral Presentation with original documents by all short-listed nominee company/units in presence of Jury members constituted by Energy And Environment Foundation.
- Site visit of short-listed companies / units, if necessary.
- Award Declaration

A distinguished jury of AI, technology, and innovation experts will evaluate all entries, ensuring a fair and transparent assessment aligned with global excellence standards.

Awards Presentation:

Energy And Environment Foundation **Global AI Transformation Award 2026** will be presented on **17th April 2026** at NDMC-Convention Center, Parliament Street, New Delhi, India.
