# About Us.

## Energy and Environment Foundation – Global Awards 16th Edition | Celebrating Excellence Since 2011

The Energy and Environment Foundation Global Awards, now in their 16th edition in 2026, are a prestigious platform that celebrates outstanding achievements in the fields of energy, environment, sustainability, and infrastructure development. Established in 2011, the awards aim to recognize and honor **visionary leadership, impactful innovation, and exemplary practices that contribute to building a greener, more resilient world.** Over the years, the initiative has garnered global participation from governments, industries, institutions, and changemakers dedicated to sustainable progress.

These awards span a wide range of categories, including the **Global Green Transportation, Global Sustainability, Global Safety, Global Infrastructure & Construction Award, Global Green Transport Award, Global Hydrogen Award, Global Sustainable Finance Award, Global Environmental, Social and Governance (ESG) Award, and Global Clean India Award, among others.** By acknowledging excellence across sectors, the Foundation fosters cross-sector collaboration and inspires collective action toward climate responsibility, clean energy transition, smart mobility, and inclusive development for a sustainable global future.

# Categories:

- Best Electric Vehicle – Passenger Car
- Best Electric Medium Vehicles (MPVs / SUVs)
- Best Electric Commercial Vehicle (LCV/MCV/HCV)
- Best Electric Bus (Urban or Intercity)
- Hydrogen-Powered Vehicle of the Year
- Fuel Cell Technology Excellence Award
- Best Bio-CNG Vehicle Initiative of the Year
- Best Biodiesel Vehicle of the year
- Green Two-Wheeler of the year
- Green Heavy-Duty Truck of the Year (EV/H2/Bio-Fuel)
- Green Public Transport Solution of the Year
- Urban Green Mobility Innovation of the Year
- Smart Charging Infrastructure Development
- Sustainable Fuel Innovation of the Year
- Sustainable Logistics/Green Fleet of the Year
- Smart Vehicle of the Year (AI Integration)
- Green Mobility Initiative of the Year (Company or/ Project)
- Green Vehicle Manufacturer of the Year
- Green Innovation Award – Startups & Emerging Tech
- Best Auto Component Supplier of the Year
- Excellence in Customer Service
- Export Excellence Award ( Boost Indian Green Auto Export)
- Global Leadership in Policy & Advocacy for Green Transportation
- Lifetime Achievement Award in Green Mobility

# RECOGNITION & AWARDS PROGRAM

## The Award:

The **Global Green Transportation Awards 2026** recognize and honor outstanding contributions to clean, innovative, and sustainable transportation solutions towards Net Zero. Organized by the Energy and Environment Foundation, these prestigious awards encourage the development and adoption of smart electric mobility, hydrogen-powered vehicles, biofuels, fuel cell technology, green logistics, and smart transport systems worldwide.

## Objectives:

- Promote sustainable, low-carbon transportation systems.
- Recognize innovation adoption of AI driven smart technologies, and leadership in green transportation.
- Encourage public-private collaborations for clean mobility.
- Support global climate and environmental goals.
- Provide a platform for sharing international best practices.

## Eligibility:

- Open to automobile companies, startups, government agencies, institutions, and individuals.
- Projects must be implemented or launched between Jan 2024 and January 2026.
- Both Indian and international applications are welcome.
- Organizations advancing green mobility, safety, performance, innovation, sustainability, and aesthetic excellence.

## Evaluation Criteria (Total 100 Marks)

### Criteria:

Innovation & Smart Technological Advancement  
Environmental Impact, Safety Features  
Comfort, Scalability & Replicability  
Cost-Effectiveness & Operational Efficiency  
Design & Performance  
Stakeholder Engagement & Collaboration  
Social, Economic & Market Impact

### Weightage:
