

# GLOBAL HYDROGEN AWARDS

## CALL FOR NOMINATIONS:

Focus on:

- Innovation in Hydrogen Technologies
- Advancing Green Hydrogen Solutions
- Policy Support and Industry Transformation
- Commercialization and Global Market Expansion
- Sustainable Hydrogen Infrastructure Development
- Collaborative Partnerships Driving Hydrogen Growth
- Shaping Policies to Accelerate the Global Hydrogen Energy Market
- Ensuring Safety and Compliance Across Hydrogen Supply and Storage
- Building Resilient and Efficient Global Hydrogen Infrastructure Networks
- Pioneering Breakthroughs in Hydrogen Technology and System Integration
- Scaling Green Hydrogen Production for Decarbonized Industrial Applications
- Strengthening Cross-Border Alliances for Hydrogen Research and Development

*For a better life on a greener planet*

# About Us.

## Energy and Environment Foundation – Global Awards 16th Edition | Celebrating Excellence Since 2011

The Energy and Environment Foundation Global Awards, now in their 16th edition in 2026, are a prestigious platform that celebrates outstanding achievements in the fields of energy, environment, sustainability, and infrastructure development. Established in 2011, the awards aim to recognize and honor **visionary leadership, impactful innovation, and exemplary practices that contribute to building a greener, more resilient world.** Over the years, the initiative has garnered global participation from governments, industries, institutions, and changemakers dedicated to sustainable progress.

These awards span a wide range of categories, including the **Global Hydrogen Award, Global Sustainability Award, Global Safety Award, Global Infrastructure & Construction Award, Global Green Transport Award, Global Sustainable Finance Award, Global Environmental, Social and Governance (ESG) Award, and Global Clean India Award, among others.** By acknowledging excellence across sectors, the Foundation fosters cross-sector collaboration and inspires collective action toward climate responsibility, clean energy transition, smart mobility, and inclusive development for a sustainable global future.

# Categories:

- Green Hydrogen Production Excellence Award
- Renewable Energy Integration in Hydrogen Award
- Innovative Green Hydrogen Technology Award
- Green Hydrogen for Industrial Decarbonization Award
- Green Hydrogen Infrastructure & Storage Award
- Green Hydrogen Mobility & Transportation Award
- Green Hydrogen Export & Global Supply Chain Award
- Hydrogen Technology Innovation Award
- Green Hydrogen Project of the Year
- Excellence in Hydrogen Infrastructure Development
- Hydrogen Safety and Risk Management Award
- Hydrogen Commercialization & Market Leadership Award
- Best Collaboration in Hydrogen Development
- Policy Leadership in Hydrogen Advancement
- Hydrogen for Mobility & Transport Award
- Industrial Hydrogen Application Excellence Award
- Hydrogen Research & Academic Contribution Award
- Hydrogen Industrial Application of the year
- Financing Hydrogen Infrastructure of the Year
- Financing Hydrogen Project of the Year
- Hydrogen Technology Idol of the Year
- Green Hydrogen Company of the Year
- Hydrogen Production Company of the Year
- Hydrogen Refueling Station of the Year

# RECOGNITION & AWARDS PROGRAM

## The Award:

Organized by the Energy And Environment Foundation, the **Global Hydrogen Award 2026** honors individuals, teams, and organizations for exceptional contributions to advancing the hydrogen economy and clean energy transition. The award celebrates innovation, leadership, and impactful actions that accelerate hydrogen adoption, promote decarbonization, and create sustainable energy solutions for a net-zero future.

Awarded initiatives may include efforts in:

- Green hydrogen production and storage
- Hydrogen infrastructure and distribution networks
- Integration of hydrogen in transportation and industry
- Safety, efficiency, and scalability in hydrogen technologies
- Innovation in hydrogen-based products and applications

The Global Hydrogen Award recognizes achievements across diverse sectors—energy, mobility, manufacturing, and beyond—that drive the global shift towards cleaner fuels, energy security, and a sustainable low-carbon future.

## Objectives:

- Promote global innovation in hydrogen production, storage, and utilization.
- Recognize leadership driving hydrogen adoption for a sustainable energy future.
- Encourage safe, efficient, and scalable hydrogen technology advancements worldwide.
- Showcase best practices in hydrogen infrastructure and clean energy integration.
- Inspire cross-sector collaboration to accelerate the global hydrogen economy.

## Eligibility:

- Large-scale hydrogen projects (production plants, storage facilities, pipelines, refueling stations, industrial applications, etc.)
- Public Sector Units (PSUs) actively engaged in hydrogen development are eligible.
- Government bodies, public-private partnerships (PPP), EPC contractors, and technology developers.
- Organizations driving excellence in safety, performance, innovation, sustainability, and hydrogen adoption.

# Submission of Application:

Energy And Environment Foundation Global Hydrogen Award's Application Form and Rules & Regulations can be obtained by sending request by email to [dranilgarg2024@gmail.com](mailto:dranilgarg2024@gmail.com) | [dranilgarg@ee-foundation.org](mailto:dranilgarg@ee-foundation.org)

For details visit [www.ee-foundation.org](http://www.ee-foundation.org)

Submissions must be sent before **28th February 2026** and include a completed form, a detailed project description (maximum 1000 words), sustainability metrics, photos, renderings, a 5-minute video, and optional recognitions or certifications.

# Selection Process:

Projects completed within the last two years will be considered.

Evaluation will be based on:

- Preliminary evaluation of nominations.
- Mandatory Oral Presentation with original documents by all short-listed nominee company/units in presence of Jury members constituted by Energy And Environment Foundation.
- Site visit of short-listed companies / units, if necessary.
- Award Declaration

A distinguished jury of sustainability, environment, and climate experts will evaluate entries, ensuring fair assessment aligned with global green standards.

# Awards Presentation:

A distinguished jury of hydrogen, energy, and sustainability experts will evaluate entries, ensuring fair assessment aligned with global clean energy standards.

# Sponsorship & Partnership Opportunities:

- Global Awards Sponsorship
- Award Category Sponsorship
- Knowledge & Media Partnerships
- Technology Exhibits & Showcases
- Networking & Branding

Custom **Sponsorship packages** with branding and Speaking benefits are Available.

# Nomination Processing Fee (Non-Refundable)

National/International

**INR 65000/-**

**USD 1000/-**

Plus Goods & Services Tax 18%

## Payment Options:

CHEQUE / DRAFT / BANK TRANSFER should be made payable to

**“ENERGY AND ENVIRONMENT FOUNDATION”, Delhi, India**

Account No. : 629705015384 (ICICI Bank, Mayur Vihar-I)

Swift Code : ICICINBBCTS PAN Card No. : AAATE4083H
