# About Us.

## Energy and Environment Foundation – Global Awards 16th Edition | Celebrating Excellence Since 2011

The **Energy and Environment Foundation Global Awards**, now in their **16th edition in 2026**, are a prestigious platform that celebrates outstanding achievements in the fields of energy, environment, sustainability, and infrastructure development. Established in **2011**, the awards aim to recognize and honor **visionary leadership, impactful innovation, and exemplary practices that contribute to building a greener, more resilient world**. Over the years, the initiative has garnered global participation from governments, industries, institutions, and changemakers dedicated to sustainable progress.

These awards span a wide range of categories, including the **Global Sustainability Champion, Global Safety, Global Infrastructure & Construction Award, Global Green Transport Award, Global Hydrogen Award, Global Sustainable Finance Award, Global Environmental, Social and Governance (ESG) Award, and Global Clean India Award, among others**. By acknowledging excellence across sectors, the Foundation fosters cross-sector collaboration and inspires collective action toward climate responsibility, clean energy transition, smart mobility, and inclusive development for a sustainable global future.

# Categories:

- Sustainability Leadership & Governance
- Ethical Business Conduct & Transparency
- Sustainable Business Strategy & Practices
- Green Innovation & Decarbonization

- Sustainable Product Design & Lifecycle Management
- Community & Social Responsibility
- Employee Engagement & Wellbeing
- Inclusive Growth & Social Equity
- Clean & Green Environment Development
- Sustainability Performance Monitoring & Reporting
- Economic, Ecological & Social Balance
- Sustainable Infrastructure & Urban Development

# RECOGNITION & AWARDS PROGRAM

## The Award:

Organized by the Energy and Environment Foundation, the **Global Sustainability Champion Award 2026** honors individuals, teams, and organizations for outstanding achievements in advancing sustainability, environmental stewardship, and social responsibility. This prestigious recognition celebrates innovation, leadership, and transformative actions that accelerate the transition towards a low-carbon, resource-efficient, and socially inclusive future.

Awarded initiatives may include efforts in:

- Sustainable business strategies and responsible corporate practices
- Green innovation, renewable energy adoption, and decarbonization
- Energy and resource efficiency across operations
- Workplace safety, employee well-being, and community development
- Environmental protection, waste reduction, and climate action
- Ethical governance, transparency, and inclusive leadership

The Global Sustainability Champion Award recognizes exemplary contributions across diverse sectors—industry, infrastructure, energy, finance, technology, manufacturing, and more—that are driving measurable impact, fostering resilience, and creating long-term value for people, the planet, and future generations.

## Objectives:

- Honor leaders achieving transformative sustainability and measurable impact.
- Encourage adoption of innovative, resource-efficient, climate-positive strategies.
- Support initiatives improving communities and societal well-being.
- Advance biodiversity conservation and global ecosystem restoration.
- Showcase models driving equitable, low-carbon sustainable futures.

## Eligibility:

- Large-scale infrastructure and industrial projects, including transportation, power, manufacturing, urban development, and water systems.
- Public Sector Units (PSUs) implementing impactful sustainability and green initiatives.
- Government agencies, public-private partnerships (PPP), EPC contractors, developers, and corporate entities.
- Organizations showing leadership in environmental stewardship, social responsibility, and ethical governance.

# Submission of Application:

Energy And Environment Foundation Global Sustainability Champion Award's Application Form and Rules & Regulations can be obtained by sending request by email to [dranilgarg2024@gmail.com](mailto:dranilgarg2024@gmail.com) | [dranilgarg@ee-foundation.org](mailto:dranilgarg@ee-foundation.org)

For details visit [www.ee-foundation.org](http://www.ee-foundation.org)

Submissions must be sent before **28th February 2026** and include a completed form, a detailed project description (maximum 1000 words), sustainability metrics, photos, renderings, a 5-minute video, and optional recognitions or certifications.

# Selection Process:

Projects completed within the last two years will be considered.

Evaluation will be based on:

- Preliminary evaluation of nominations.
- Mandatory Oral Presentation with original documents by all short-listed nominee company/units in presence of Jury members constituted by Energy And Environment Foundation.
- Site visit of short-listed companies / units, if necessary.
- Award Declaration

A distinguished jury of experts in sustainability, social impact, governance, and environmental leadership will assess all entries, ensuring a fair and transparent evaluation aligned with global sustainability standards and best practices.

# Awards Presentation:

Energy And Environment Foundation **Global Sustainability Champion Awards 2026** will be presented on **17th April 2026** at NDMC-Convention Center, Parliament Street, New Delhi, India.

# Sponsorship & Partnership Opportunities:
